

Department Head prayer: Working together - abridged

Oh God,
Grant that we may work together
As mutual partners in expressing the depth
and wonder of your love for the vulnerable,
as persons rooted in hope for the future,
and in the vision of the Misericordia Family,
may we believe that we are the carriers of a
vision
rooted in ‘Compassion of the heart for those in
need.’
Amen

Living our Heritage

Loving and ever-present God,
Open our eyes
So that we will recognize your presence
In the newness and sacredness of this moment.
Open our ears
That we might hear your Word, “Alive” in us

**As we set out in faith
To discover new paths
Rooted in our heritage and vision. AMEN**

Building on our legacy

**Loving and ever creating God,
Open our minds to the wonder of this moment,
To the opportunity it contains
To be the beginning
of a new vision and understanding.**

**Bless us as we face new questions
And new ways of being and living
The heritage of Mother Rosalie
And the Misericordia Sisters
All for the benefit of those whom we serve,
And the glory of your Name. AMEN**

Living in Faith

**We turn to you O God of Compassion,
With confidence in your love for all.**

**Open our hearts
And strengthen the ties between us,**

**So that together we may:
Walk without fear,
Believe without doubt,
Risk without hesitation,
Let go of what we need to let go of;
Hold on to what we need to hold on to;
Dare without regret
And above all,
To Hope in your Promise. AMEN**
